Thank you for your time yesterday. As I mentioned yesterday, I am interested in documents related to the Resource Conservation Challenge Scrap Tire Workgroup Ground Rubber Committee. Below is my revised FOIA request:

(1) All documents relating to the Resource Conservation Challenge Scrap Tire Workgroup Ground Rubber Committee, including, but not limited to, meeting minutes and communications between committee members, and
(2) all communications between members of the Resource Conservation Challenge Scrap Tire Workgroup Ground Rubber Committee and manufacturers of artificial and/or synthetic turf and crumb rubber, including, but not limited to, crumb rubber infill and crumb rubber mulch and/or industry trade associations, including, but not limited to, the Synthetic Turf Council and the Rubber Manufacturers Association.
